The regular meeting of the Board of Trustees of the City of Lodi was called to order by the President at 8 o'clock P.M. on the date above written and on call of the roll, Trustees Crose, Hale, Hickok and Montgomery were present; Trustee Rich absent.

The minutes of the adjourned meeting of March 13th were read and approved.

Trustee Montgomery then left the President's chair, Trustee Hale presiding, and introduced Resolutions No. 234 and 235; Resolution No. 234, a resolution calling upon the Board of Supervisors to establish a county health department was then passed by the following vote:

AYES: Trustees, Montgomery, Crose, Hale, Hickok.

NOES: Trustees, None. ABSENT: Trustee, Rich.

Resolution No. 235, a resolution directing the Clerk to place on the ballot at the next election the question, "Shall each member of the Board of Trustees of the City of Lodi receive a salary of \$50.00 per month?" was passed and adopted by the following vote:-

AYES: Trustees, Montgomery, Crose, Hale, Hickok.

NOES: Trustees, None. ABSENT: Trustee, Rich.

A petition was then received signed by twenty per cent of the registered voters of the Sanguinetti and Burr Additions praying that these lands be made part of the City of Lodi and share in the payments for bonded indebtedness heretofore incurred, addition to be called "NORTHWEST ADDITION" as more fully set forth in the said petition now on file in the office of the City Clerk. On motion of Trustee Montgomery, the petition was referred to the Clerk for verification of signatures.

Petitions asking the improvement of Eden, Flora and Stockton Streets signed by more than 50% of the fronting property owners were received and on motion of Trustee Montgomery, the Engineer was directed to prepare plans and specifications.

Trustee Montgomery, having urgent business elsewhere, was then excused, (8.11 P.M.).

Three applications for building permits were read, those of F.C.Maier and H.Lillienthan without comment but the application of Mrs. Elsie Cunningham to construct a store building on Central Avenue was protested by A. Perrin, J. H. Meyer and others as same did not hold to the established building line. It appearing that the Board had no powers in the matter, no set-back lines being established, Trustee Hickok moved that the application be granted. The motion carried unanimously. Permits granted amounted to \$6,800.00

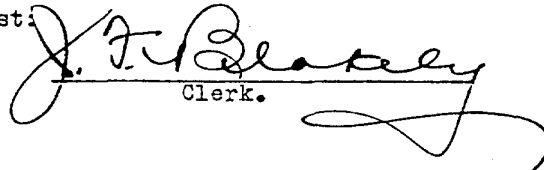

O.H.Gillette addressed the Board in protest against the continued existence of a temporary structure on N. Sacramento Street, built to house religious meetings; C. R. Van Buskirk being present, assured Mr. Gillette on behalf of the Committee who erected the building that the same would be removed within a few days.

Bills to the amount of \$5,068.88 having been approved by a majority of the finance committee, were allowed on motion of Trustee Hale and ordered paid.

After discussion regarding the completion of the intersection of Lockeford and Church Streets, the Clerk asked and was given permission to secure a proposition from O. J. Hemphill under which this intersection could be widened and the pavement put in.

No further business appearing, the Board adjourned to the date of the next regular meeting.

Attest:

Clerk.
